

SB01 ALTO
ANRICHTE / SIDEBOARD
DESIGN: PHILIPP MAINZER, 1996

Durch ihre schlichte Formgebung und pure Materialität ist die Anrichte ALTO besonders flexibel kombinierbar. Ein spezielles e15-Gestaltungsmerkmal ist das an den Eckverbindungen des Ablagebrettes und der Wangen sichtbare Hirnholz. /

Its clear design and pure materiality makes the sideboard ALTO especially adaptable. The corner joints offer a distinctive e15 design detail, where the 40 MM (1 ⁵/₈ inch) thick top is milled to half of its thickness at the ends which the sides then fit into.
