

**SH05 ARIE**  
SHELF  
DESIGN: ARIK LEVY, 2008

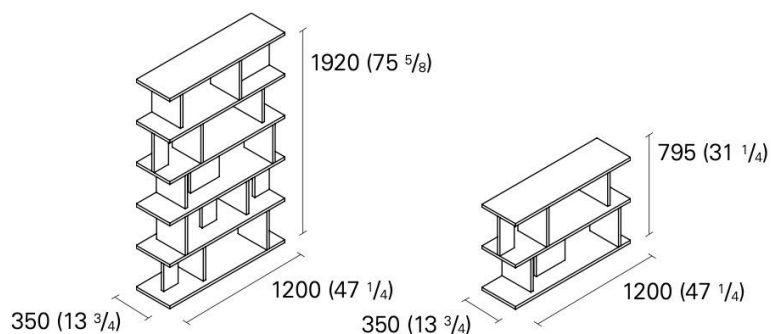

The Arie bookcase by Arik Levy for e15 takes the concept of a shelf and bridges the gap between product design and art. The invisible structural elements of Arie allow for the end user to take advantage of a variety of seamless combinations within itself. Place individually or group multiple Arie bookcases together to create a free standing room divider. Available in two varying heights, and your choice of two beautiful oak finishes.

## DIMENSIONS

**l x w/d x h**

**47 1/4" x 13 5/6" x 57 3/5"**

**47 1/4" x 13 5/6" x 31 1/3"**
