

Bend

DESIGNED BY PATRICIA URQUIOLA

It seems shaped by an artist but actually derives from a study of 3D models and digital research. It seems a monolith that has been shaped by subtraction, rounded and molded by the designer. The irregular shape enhances comfort, the contrasting seams define the design and movement. Bend-Sofa combines manual skills and technology, solidity and strength, along with considerable flexibility in terms of use.

Comes with:

- BSB (x1) - Bend Armrest Support
- B40C (x1) - Bend Cushion 24" x 15 ¾"
- B55C (x1) - Bend Cushion 24" x 21 ¼"
