

PIETBOON

BENTE LOUNGE SERIES

DESCRIPTION

The BENTE is the first upholstered lounge series in the Piet Boon outdoor collection. The series consists of two complete sofas in fixed sizes, open sofa elements, a coffee table, an armchair and a pouf. Where the existing Piet Boon outdoor collection utilizes angular lines, the BENTE opts for rounded edges on all the wooden parts and a softened backrest detail. Taking the comfort of indoors to the outside living space, reflects the Studio Piet Boon vision on functionality and comfort.

BENTE
Outdoor Lounge Chair
