

# BM1871 Bench

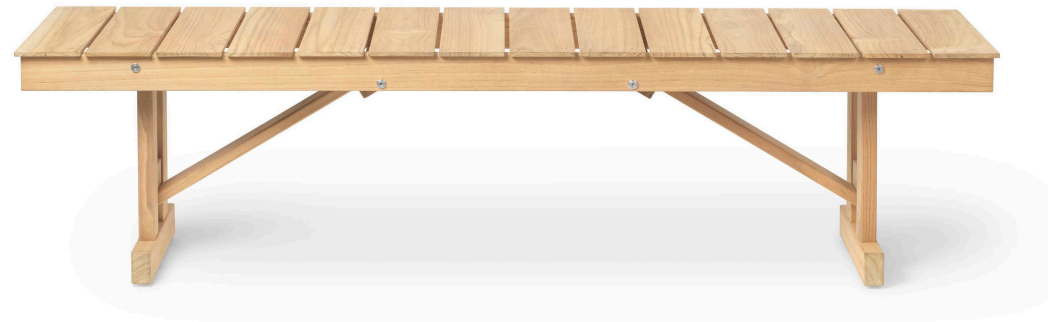

BORGE MOGENSEN

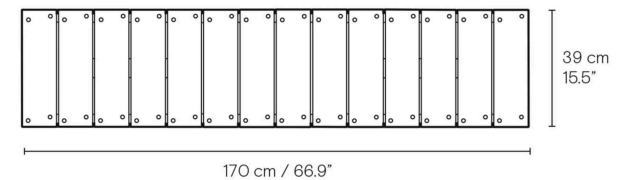

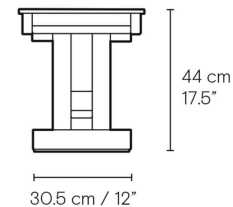

CARL HANSEN & SØN

## DESCRIPTION

Børge Mogensen's fold-able outdoor bench was designed in 1971 along with the BM1771 Dining Table. Rediscovered by Carl Hansen & Søn, the iconic designer's outdoor pieces have been reworked for modern sensibilities, yet remain true to the spirit of its original design. Characterized by simple, clean lines, his minimalist design emphasizes craftsmanship and material. The series' bench is set on sturdy legs that tuck neatly inside the elegant slatted seat for easy storage when not in use. Available for additional comfort are padded cushions in weather-resistant Sunbrella fabric.
