

BONG

WARRANTY

DESIGNER
Giulio Cappellini

YEAR
2004

CATEGORY
Service table

ENVIROMENT
Indoor

COUNTRY OF ORIGIN
Made in Italy

DESCRIPTION

Giulio Cappellini's favorite shapes are simple, yet uncommon, and the Bong table perfectly represents this concept: a sphere cut on the upper part becoming a service table or a seat. A bold item with different looks depending on the selected finish. The spherical shape of the Bong table makes it a signature product. Thanks to its lightness, it is a versatile piece of furniture suitable for various settings and locations.

matt lacquer

white Carrara

lava stone

floral
