

EC01 BYRON
LOUNGE CHAIR
DESIGN: FLORIAN ASCHE, PHILIPP MAINZER, 1999

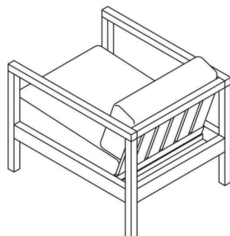

The Byron lounge chair is a modern take on a classic smoking chair, distinguishable by clean lines and distinctive solid wood armrests. Byron is crafted from oiled European oak or European walnut with armrests of 40 MM (1 5/8 INCH) in thickness. Its seat height is 400 MM (15 3/4 INCH). Comfortable seating is ensured with upholstery belts and high-quality foam cushions. There are no fixed upholstered elements as the cushions can be removed and are easy to clean. Byron is a versatile and unique item for private and public use.
