

CAP CHAIR 2

DESIGNER
Jasper Morrison

YEAR
2014

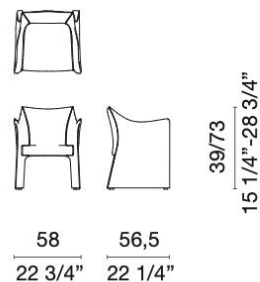

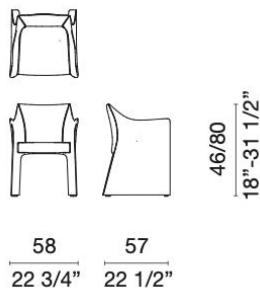

CATEGORY
Chair

ENVIROMENT
Indoor

COUNTRY OF ORIGIN
Made in Italy

DESCRIPTION

The natural evolution of the Cap Chair presented at the 2013 Salone del Mobile, the Cap Chair 2 by Jasper Morrison is completely upholstered with leather, even on the sides. A truly sartorial product, with a fresh yet understated design, this seat comes in two versions – high and low-lying – with self-locking spherical wheels that allow it to be used around standard managerial tables or slightly lower tables, thereby transforming classic conference rooms into authentic meeting lounges. Thanks to its moderate dimensions, Cap Chair 2 is well suited for use as a waiting room armchair in a variety of contexts.
