

Cab Night Bed

Designed by Charlotte Perriand

The Cab Night bed by Mario Bellini exudes sophisticated comfort. The supportive padded headrest, bed frame, and legs are upholstered in thick saddle leather. Detailed stitching frames the bed and speaks to the craftsmanship and quality of the Cassina brand. Sleep in a while --- the Cab Night bed is a forever piece for a good night's rest.

The fixed headrest version in natural saddle leather is part of our quick-ship program. Please contact us to review all leather options and sizing variations.
