

Charles

DESIGNED BY ANTONIO CITTERIO

The centerpiece of modern lifestyle, the Charles has become a hallmark in the world of design. The light feeling especially conveyed by the essential design of the "inverted L"- shaped feet, along with a single seat-cushion and a series of free cushions placed on the backrest is the distinctive feature of a sofa that has met with boundless success. The airy shape and simple profile make it, almost by contrast, extremely rich and innovative from a spatial standpoint, a system that encourages the creation of ever new compositions. The Charles includes an extensive family of elements that can meet every furnishing requirement, even the most personal demand for comfort.
