

CLOUD LN5

BY LUCA NICHETTO
2017

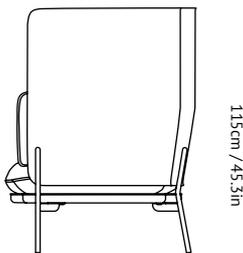

In a world filled with distractions both online and off, Cloud is a welcome retreat. With the new high-back, one-seater version, Italian designer Luca Nichetto enhances the experience of being suspended in air with the ability to focus on your thoughts, in your own world.

“The Cloud series is the closest you can get to feeling like you’re floating on air, without being in a hot air balloon,” remarks Martin Kornbek Hansen, CEO / Founder of &tradition. “The Cloud one-seater with the high back amplifies your experience of being in your own universe. Bringing a sense of bliss to the busy world we live in.”

Think of this as a comfy escape to another world – while still staying grounded in reality.
