

DC03 LANGLEY
SIDE TABLE
DESIGN: DAVID CHIPPERFIELD, 2014

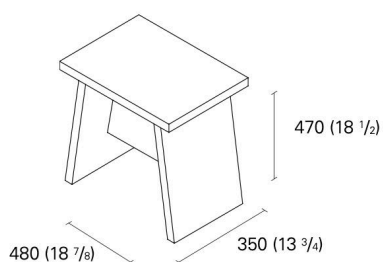

The Langley side table designed by David Chipperfield elegantly features solid wood in its purest form. With its structural concept and linear form oriented to the design of the Fayland table, Langley is a versatile stool or side table. In addition to European walnut and solid oak in oiled or white pigmented surfaces, Langley is also offered in oak lacquered jet black.

DIMENSIONS

l x w/d x h

18 7/8" x 13 3/4" x 18 1/2"
