BEISTELLTISCH / SIDE TABLE
DESIGN: PHILIPP MAINZER, 2011

Die Beistelltische ENOKI muten mit ihrer Form- und Materialgebung als stilvolle und verspielte Objekte an. Geschickt mit Material, Farbe und Abmessungen spielend, präsentieren sich die vielseitigen Beistelltische in einer Kombination aus edlem Marmor oder Massivholz und / oder farbigem Stahl. /

With the side tables ENOKI, e15 presents smart and playful objects, applying material and shape to novel form. Cleverly toying with material, colour and dimensions, the versatile ENOKI side tables are presented in combinations of rich marble or solid wood with /or coloured steel.
