

Hospes

DESIGNED BY B&B ITALIA CR&S - 2020

The B&B Italia's Research & Development Centre has developed Hospes, an extremely versatile ottoman that is at its best in any room. A dynamic complement that can be used in different ways and fits perfectly with different product families. Made in two sizes and three colors - overseas blue, stone, anthracite - it is based on a robust aluminum frame covered with an interlacing of waterproof ropes.

On top, the interlacing is held up by webbing that provides support and comfort.
