

Julep

Designer: Jonas Wagell
Year: 2018

Soft, enveloping shapes characterize this family of upholstered pieces. Julep is influenced by the 1950s Avant-Garde movement, drawing upon its simplicity and grandeur, refined by a contemporary, romantic, feminine allure. Star of the series is the sofa, whose generous rounded lines provided evolutionary DNA for the entire collection – including an armchair, a chaise-longue and an ottoman – in an interplay of proportions and shapes that gave rise, little by little, to all the other versions. Fully upholstered, the seats look ample and full, yet convey a sense of lightness, thanks to the recessed base that invisibly lifts them off the floor. Designed for home decor, their inviting appeal encourages cozy comfort and relaxation, making the Julep seating options also ideally suited to contract venues.
