Lithos

DESIGNED BY ANTONIO CITTERIO

Square, rectangular or circular in shape and set in the centre of a room or next to the sofa, the Lithos collection includes tables with tops in black Portaro marble, black marquina marble, white Calacatta marble and beige travertine marble. They are also available in a wooden version with slatted upper and lower surfaces in grey oak, brown oak, light brushed oak or black brushed oak finishes. The frame is in painted bronzed nickel steel.

Through this program it is available as a square low table 35 3/8" x 35 3/8" with a Calacatta marble top.
