DESIGNER
Jasper Morrison

YEAR
2006/2007

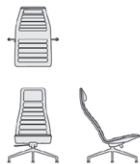

CATEGORY
Armchair

ENVIROMENT
Indoor

COUNTRY OF ORIGIN
Made in Italy

DESCRIPTION

Optimal comfort for the Lotus (Attesa) chair, designed by Jasper Morrison. Both swivelling and tilting, the structure of the Lotus (Attesa) is made of beech plywood, with polyurethane foam padding. The base has four spokes and is made of die-cast aluminium with either a polished chrome finish or matte lacquered in white, mud or anthracite. Available with or without armrests and provided with a fixed cover in a selection of leathers and fabrics from the collection, this chair by Jasper Morrison is Greenguard Gold certified, exclusively reserved for products that do not emit any harmful substances into the environment.
