

Maralunga Sofa

Designed by Vico Magistretti

Since its debut in 1973, the Maralunga sofa by Vico Magistretti has been updated with new proportions to become even more elegant and comfortable than before. The Maralunga S sofas are equipped for convenience thanks to easily removable upholstery covers that make cleaning a breeze.

Instead of the typical, expected treatment of back cushions resting upon or behind the seat cushions, Magistretti envisioned a seat back that would literally fold over to create back cushions that appear to visually levitate above each seat cushion. When not employed as such, the backrest can be unfolded to create an erect tall cradle functioning as neck support for lounging.

American Walnut

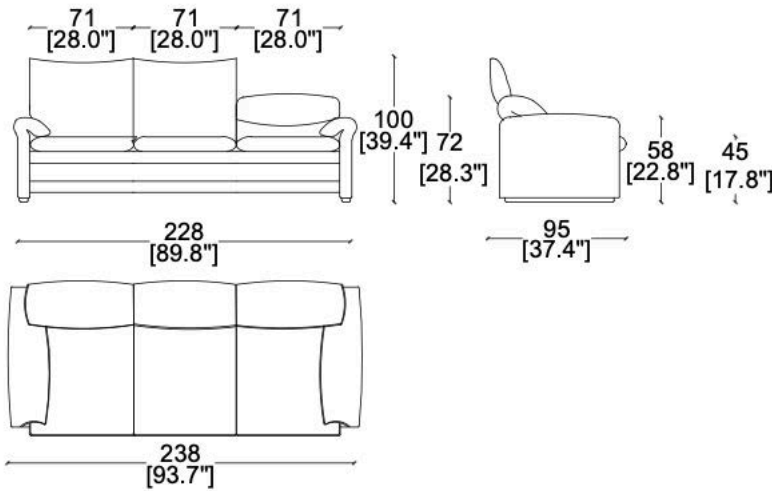

Byram 981 Green Mohair

available combinations

- Maralunga 40 S three-seater sofa with Kvadrat/Raf Simons Byram 981 Green Mohair upholstery and American walnut feet

available compositions
