
Nix

SMALL TABLES

Gabriele and Oscar Buratti

Description

Details are what make Nix small tables important, the thinness of sheet metal tops and the hollow section of the brackets. The highest version also has a wooden or leather top. Functional in the living room and bedroom, they are designed to stand alone and also to happily coexist when stacked, which underscores their graphic features.

CONTEXT

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
