

## T-Chair

Designer: B/M  
Year: 2011

The T-Chair is made of a thin rectangular iron frame that is curved and painted. Secured onto the frame are then the seat and backrest, made of wood or upholstered with sartorially elegant fabrics. Straightforward, versatile and stylish, it fits in with a variety of settings, from household interiors to public spaces, also because it is easily stackable.

Developed by Tacchini in Italy
