

Fixie

Designer: Pearson Lloyd
Year: 2011

Fixie is a stool featuring a functional tubular structure which deeply identifies the product, making it instantly recognizable as a 3D graphic pattern or a furniture sculpture. This effect is enriched by original colours making Fixie definitely unique. The aesthetic quality does not hide its functionality: the stool is adjustable in height and it's 360° revolving.

Developed by Tacchini in Italy

Dimensions (cm)

Cod. OFIX37

W 37 D 37 cm

H 68/80 cm

Non-removable covers
