

CH05 THIS
SIDE CHAIR
DESIGN: STEFAN DIEZ, 2013

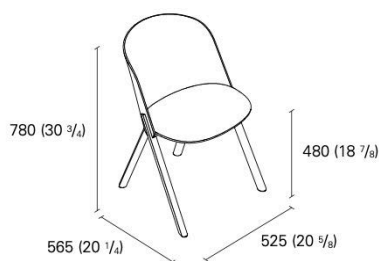

The THIS chair, constructed from robust and versatile molded oak-veneered plywood, illustrates e15's key philosophy in exposing and featuring elements essential to the construction of a product. We see it as the perfect complement to place around the Ashida Table as a side chair. Available with an optional upholstered seat and in custom colors. For more in our collection, see THAT lounge chair.
